Item VIII: Reports

A. Superintendent

In addition to his written report, Mr. Gonyar handed out policy packets. He stated the polices were not quite ready for the second reading yet. None of the policies are required policies. Policy IKA really does not need to be a policy and he may recommend to rescind it. Policy IKAB is the big brush of the grading system. The next three: IKAB-R1, IKAB-R2, and IKAB-R3 are the regulations which detail how each school will report their grades. He will bring these back in January for a second reading. The next policy committee meeting will be December 17th at 3:30pm. He will introduce the next set for 1st readings in January. The school committee has reviewed and updated all required policies over the last 2 years. The approach to policy work in the future is to start with the A's and review 5 or 6 a month, as well as eliminating one's that are no longer needed.

MSBA President Kim Bedard and MSSA Executive Director Steve Bailey visited our district on Wednesday, November 28th. Hermon was the only district they met with in Region 2. They were very impressed with the tours of each school. They also met with central office staff and some school committee members to listen to the challenges faced at the ground floor. The report from their visit will be in the January MSBA newsletter.

Mr. Gonyar also gave a hand out the Title Funding Comparisons. The overall loss to the District in Federal Title funding was over \$25,000. We will either must shift these to Local costs or not have these things anymore.

B. Principals

In addition to his written report, Mr. Walsh added that there will be a field trip to the Federal Building in Bangor for Mr. Hargrove and students to attend the hearing on Ranked Choice Voting.

Mr. Grant recognized Lisa Roy, HMS Guidance Counselor approved at the last meeting, who was in attendance. Mr. Grant also presented a Show Choir proposal to start a competitive show choir at HMS, open to all grades 5-8 with the intent of competing at the regional competition in March of 2020 with Caroline Phillips as Director, and Rebecca Perry as Consultant.

Mr. Harris motioned, seconded by Mrs. Smith to accept the Show Choir proposal, as presented.

Unanimous vote (5)

In addition to her written report, Mrs. Perry stated that the Helping Hands Donations have now helped 42 families this holiday season.

C. Finance Report

D. School Committee Follow-up and Request for Information

Mrs. Smith expressed her excitement over having Show Choir at the Middle School, although she's sad the interest dropped off at the high school. She thinks the new course options at the high school are wonderful. She believes those are the kind of things that make students excited to attend school. She inquired as to whether there was a Career Prep Program. Mr. Walsh explained that guidance is running a career exploration through their new software program. Mr. Gonyar added that we will need full time guidance at the middle school to get those students prepared for high school. We should really start building that by 5th grade. Mr. Grant added that JMG is coming to the middle school on December 19th to hold a reverse career fair on career explorations. JMG does a fantastic job with this.

Mrs. CoWallis felt this was an exciting meeting. All the opportunities presented were remarkable, and she thanked everyone involved for all that they do. It is a huge benefit for the students.

Mr. Harris congratulated Garrett Trask for being recognized as the Class C Football Player of the Year. He attended the S.P.R.P.C.E. meeting. He would like to bring Dr. Webb's presentation to this group. He would like to recognize the students that participated in the e-waste day. He asked if we have explored sharing resources for foreign language. Mr. Gonyar stated that there will be a meeting on that because of the shortage of instructors. He stated that he is glad that we are getting to career paths for students.

Mr. Reynolds also expressed excitement for the new course options and that he likes the flexibility from year to year.

E. Other

Student representative Miss Treat stated she helped with the musical box office, and they almost sold out at each performance. Goals were set for the Thirst Project. The Angel Tree was put up earlier this year.
